The Trustees of the Mary E. Bartlett Memorial Library are seeking a design idea for the space behind the library currently known as the amphitheatre. They are looking to repurpose the space to make it a functional area for programming and patron use.

Requirements:

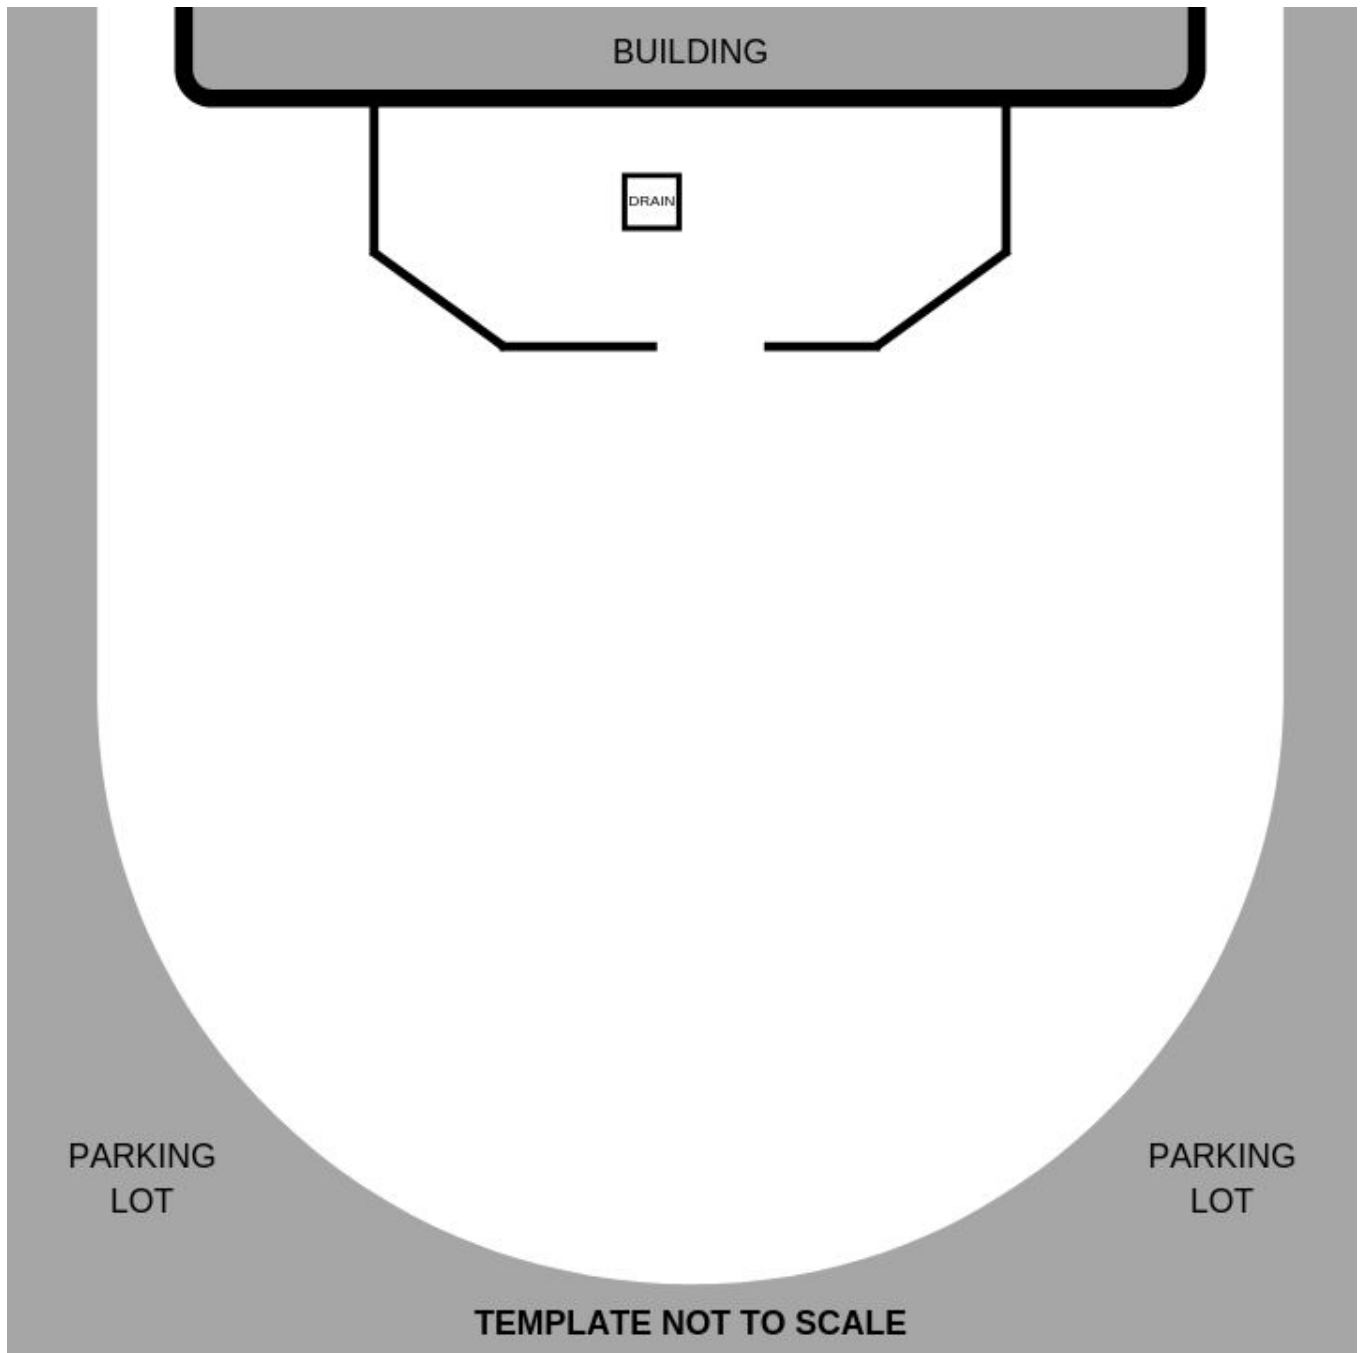

- multipurpose use (ex. Library program, patron reading area, etc.)
- accessible to all (ADA compliant)
- low maintenance
- remove current wooden seating

Please describe the features of your design: (EXA: patio seating, structures, etc.)

What are the potential uses of this space? (EXA: gardening programs, reading nooks, etc.)

How will these features improve the library for its patrons?

Please sketch your ideas to the best of your ability in the outline provided:

Please feel free to add pages as needed for space.
