Summer Reading 2022

MARY E. BARTLETT MEMORIAL LIBRARY

Sign up for the Summer Reading Program beginning Monday June 27th by visiting the library! Track your reading through August 1st

Prizes! Programs! Entertainment!

Monday June 27th 4pm: Summer Reading Kickoff!

Come celebrate the start of the 2022 Summer Reading Program with a concert by Mr. Aaron. Recently awarded "Best Children's Performer" from New Hampshire Magazine, Mr. Aaron never fails to delight audiences of all ages. Sign up for the "Oceans of Possibilities" Summer Reading Program and register for programs and workshops.

Tuesday June 28th 10am: Family Storytime

Join us for stories, songs and messy art! Each week will have a different theme related to oceans and ocean life. Summer storytimes are for families with young children. Registration will be required for each storytime and space is limited.

Wednesday June 29th 11am: Magic Show

Come be entertained by magician BJ Hickman, whose shows promise lots of non-stop, action-packed magical fun and silly surprises. This show is appropriate for all ages.

July 5-7th Drop in for crafts and board games all week and sign up for the Summer Reading Program challenge if you haven't done so yet!

Thursday July 7th 6pm: Adult Craft

Join Janice for an evening of painting to make a set of nautical-themed mini canvases to decorate your walls. Registration is required.

Monday July 11th 3pm: Teen Time: Candy Sushi Making

Did someone say "candy"?! Drop in for some Teen Time fun and make sushi with candy. Bring a friend and we'll provide all the yumminess! Please register in advance so we can be sure to have enough candy. Teen Time is for rising 6th graders and up.

Tuesday July 12th 10am: Family Storytime

Wednesday July 13th 3pm: Coastal Critters

What animals and seaweeds can you find in New Hampshire tide pools and coastal zones? Meet these animals up close and learn about the interesting and sometimes strange adaptations (suction cups, claws, tentacles) they use to capture their prey, move or defend themselves. Seacoast Science Center will be here to present this program for school aged children and families. Registration is required, space is limited for this program.

Thursday July 14th 10am: STEAM: Sink or Float Challenge

Explore the concepts of density, buoyancy, sinking and floating with our boat design challenge. This program is for rising 3rd through 6th graders. Registration is required.

Thursday July 14th 3pm: Adult Trivia

Monday July 18th 3pm: Teen Time: Terrariums

Design your own terrariums for succulents or air plants. We'll provide all the materials and snacks. Please register in advance so we have enough plants. Teen Time is for rising 6th graders and up.
