# COMMUNITY & FOCUS

The team at MEB Library is proud to announce that we are taking part in the Peach Project Community Holiday Stroll! If you are planning to visit, you will see each of us represented in the display along with some other fun additions. Consider taking your picture with "the staff," share it on social media, and tag us.

Finding a sense of peace and focus is not easy during a pandemic, so join us for the last session of mindfulness training on Tuesday, December 1st at 6pm on Zoom. Liz Korabek-Emerson is a certified mindfulness teacher and she will be discussing the topic, Kindness for Me, You, and the Whole World: Cultivating Our Connections. You do not need any prior knowledge and each session is complete on its own, so do not worry if you haven't attended the other three. Email me at [director.meblib@gmail.com](mailto:director.meblib@gmail.com) for the Zoom link.
