

MARY E. BARTLETT MEMORIAL LIBRARY

WEEK OF: 9/14 - 9/19/2020

Quote for the week:

"Act as if what you do makes a difference. It does."
- William James

Have you ...

... ever driven by the library and had an urge to get a book?

Please stop by and ring the bell. If we are not at capacity with our scheduled appointments or if you are willing to wait until we are under capacity, we welcome your visit. Masks will be provided if you have left yours at home.

... been wanting us to be open on Saturdays?

Wish no more! Starting on Saturday, October 3rd, we will be open for appointments and curbside service from 10am -1pm on Saturdays. Staff will be on site at 9am to prepare for the day, so feel free to call for an appointment or with a curbside request as early as 9am.

... ever wished the library carried a particular book or a particular author?

Let us know. We are always happy to consider patron recommendations. A library collection is best when it is driven by the people who will be reading the books!

... ever wondered why we manage operations in a particular way?

Please ask - We want you to understand the "why" so that you can feel comfortable with the "what"! I have an "open door" policy and an "open book" mindset!

... ever wondered if what you ask makes a difference?

It does! We take seriously every request, every idea, and ever concern. Keep them coming!
